Hi Michelle,

Could you put these comments into the record and Planning Commission packet as well.

Thank you,
Chris MacWhorter, Principal Planner
Coos County Planning Department

Subject: Bandon biota special use permit

This Message originated outside your organization.

Dear sirs,

I have gotten the planning department notification of proposed conditional use permit for an 18 hole golf course. We are their neighbors and we also run an 18 hole golf facility. We have no objections to this change in land-use planning and feel like it would be, good use of land that has been largely a gorse patch. I am not a partner, nor am I in any way involved in the process of the building of the adjacent golf course to ours. The Keiser's have been responsible citizens and I expect they would continue to do so in the future.
