Five-year Local Option Tax for Pool Operations and Maintenance

Question 20 words which plainly phrases the chief purpose of the measure.

Shall North Bend impose \$0.56 per \$1,000 of assessed value for pool operations and maintenance for five years beginning 2027-2028? This measure may cause property taxes to increase more than three percent.

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

This measure would authorize a new five-year local option property tax levy to fund operations and maintenance of the North Bend Municipal Pool. A prior levy approved in 2021 under Measure 6-191 expired June 30, 2026. If approved, the City could impose a rate of up to \$0.56 per \$1,000 of assessed value for five years, beginning July 1, 2027, and ending June 30, 2032. Revenue would be used solely for pool operations, including staffing, utilities, equipment maintenance, and program costs, and not for other City purposes or capital improvements. For property assessed at \$200,000, the annual tax would be approximately \$112. If the measure is not approved, the pool would not have a dedicated property-tax funding source, which could result in reduced hours, reduced programming, or closure. The levy is estimated to raise \$440,300 in 2027-2028, \$470,100 in 2028-2029, \$483,800 in 2029-2030, \$497,800 in 2030-2031, and \$512,200 in 2031-2032, totaling \$2,404,200.
