Proposal

Dear Coos County Planning Department,

We purchased 4 lots in the Sansaria Subdivision off Pacific Surf Lane in January of 2020. We have already consolidated those lots into one tax lot 700. The Map information is 26S 14W 33 CC TL 700. The intent of our purchase is to build a single-family residence as our personal home. We have hired a builder, Tom Tobey, to design our home to fit the lot with required setbacks to property lines, space for the approved septic system with required distance to future well and driveway to match the Coos County Road Department's standards. We understand that this lot is in the Forest Zone and we will be completing the Forest Template Dwelling Application.

Please include the builder, Tom Tobey, in correspondence with this application as he is helping complete the required forms. We will be moving to the Bandon area the end of September and we do not currently have a forwarding address. Email information in this application is current and correct.
