Subject: Notice of Coos County Public Land Use Hearing

This Message originated outside your organization.

We are owners of property located directly across from the acreage included in Winter Lake Phase III. Expansion of the project will further exacerbate the mosquito problem making it impossible for Coquille residents to enjoy any outdoor activities from the beginning of August and into fall of the year. It is our position that no further expansion should be taken until the mosquito problem that was created by the first part of the project is resolved.
