I affirm that this is a legally created tract, lot or parcel of land. I understand that I have the right to an attorney for verification as to the creation of the subject property. ORS 215.416 Permit application; fees; consolidated procedures; hearings; notice; approval criteria; decision without hearing.

(1) When required or authorized by the ordinances, rules and regulations of a county, an owner of land may apply in writing to such persons as the governing body designates, for a permit, in the manner prescribed by the governing body. The governing body shall establish fees charged for processing permits at an amount no more than the actual or average cost of providing that service.

The Coos County Board of Commissioners has adopted a schedule of fees which reflects the average review cost of processing and set-forth that the Planning Department shall charge the actual cost of processing an application. Therefore, upon completion of review of your submitted application/permit a cost evaluation will be done and any balance owed will be billed to the applicant(s) and is due at that time. By signing this form you acknowledge that you are responsible to pay any debt caused by the processing of this application. Furthermore, the Coos County Planning Department reserves the right to determine the appropriate amount of time required to thoroughly complete any type of request and, by signing this page as the applicant and/or owner of the subject property, you agree to pay the amount owed as a result of this review. If the amount is not paid within 30 days of the invoice, or other arrangements have not been made, the Planning Department may chose to revoke this permit or send this debt to a collection agency at your expense.

I understand it is the function of the planning office to impartially review my application and to address all issues affecting it regardless of whether the issues promote or hinder the approval of my application. In the event a public hearing is required to consider my application, I agree I bear the burden of proof. I understand that approval is not guaranteed and the applicant(s) bear the burden of proof to demonstrate compliance with the applicable review criteria.

As applicant(s) I/we acknowledge that it is in my/our desire to submit this application and staff has not encouraged or discouraged the submittal of this application.

As the applicant(s) I/we acknowledge, pursuant to CCZLDO Section 6.1.150, a deed describing any recognized lawfully created parcels must be recorded with the County Clerk within one year from the date of final approval from the Planning Department.

CCZLDO	§ 6.1.125	LAWFULLY CREATED LOTS OR PARCELS:
--------	-----------	-----------------------------------

SECTION 6.1.125 LAWFULLY CREATED LOTS OR PARCELS:

“Lawfully established unit of land” means:

1. The unit of land was created:
 - a. Through an approved or pre-ordinance plat;
 - b. Through a prior land use decision including a final decision from a higher court. A higher court includes the Land Use Board of Appeals;
 - c. In compliance with all applicable planning, zoning and subdivision or partition ordinances and regulations at the time it was created.
 - d. By a public dedicated road that was held in fee simple creating an interviewing ownership prior to January 1, 1986;
 - e. By deed or land sales contract, if there were no applicable planning, zoning or subdivision or partition ordinances or regulations that prohibited the creation.
 - f. By the claim of intervening state or federal ownership of navigable streams, meandered lakes or tidewaters. “Navigable-for-title” or “title-navigable” means that ownership of the waterway, including its bed, was passed from the federal government to the state at statehood. If a waterway is navigable-for-title, then it also is generally open to public use for navigation, commerce, recreation, and fisheries.
2. Creation of parcel previously approved but not acted upon (92.178).
 - a. The governing body of a county may approve an application requesting formation of one parcel if the county issued a land use decision approving the parcel prior to January 1, 1994, and:
 - b. A plat implementing the previous land use decision was not recorded; or
 - c. A condition of approval of the previously approved land use decision requiring consolidation of adjacent lots or parcels was not satisfied by a previous owner of the land.
 - d. An application under this section is not subject to ORS 215.780.
 - e. Approval of an application under this section does not affect the legal status of land that is not the subject of the application.

CCZLDO	§ 6.1.150	APPLICATIONS ESTABLISHING LAWFULLY CREATED LOTS OR PARCELS
--------	-----------	--

SECTION 6.1.150 APPLICATIONS ESTABLISHING LAWFULLY CREATED LOTS OR PARCELS:

An application to establish a lawfully created unit of land shall be submitted in the case of Section 6.1.125.1.d, e and f and Section 6.1.125.2. This is an administrative land use decision. If County Counsel is required to review information to determine legal status of the unit of land additional fees may be charged.

All notices will be provided in accordance with LDO Section 5.0.

Once it is determined that a lawfully created unit of land exists it shall be separated out on its own deed prior to any reconfiguration such as a property line adjustment. A copy of that deed needs to be provided to the Planning Department showing the process has been completed. If there are more than two lawfully created units of land (discrete parcels) found to exist, a road may be required to provide access. The applicable road standards in Chapter VII will apply.
